

REQUEST FOR EXPRESSION OF INTEREST (EOI) FOR PROVISION OF ENABLING INFRASTRUCTURE WORKS – CFT PACKAGES 2 TO 5 FOR TILENGA UPSTREAM DEVELOPMENT PROJECT IN UGANDA.

TOTAL E&P UGANDA in its capacity as Operator of EA 1 and on behalf of EA-2N Operator TULLOW UGANDA OPERATIONS PTY LTD invites experienced and reputable Engineering Procurement and Construction (EPC) companies to express interest in the **provision of construction works for Access Roads, Logistic Facilities, Well pad civil works and Site preparation** (designated as CFT packages 2, 3, 4 & 5 hereafter respectively) in respect of the development of the Tilenga Project (EA-1, EA-1A and EA-2N), Lake Albert Basin, Republic of Uganda.

General description of Field Development:

The Tilenga oil and associated gas development is located in the North-East area of Lake Albert in Uganda, and covers the fields in EA 1 and EA- 2 North.

The major surface facilities developments include the following:

- a) Central Processing Facility (CPF) with integrated facilities.
- b) Drilling Well pads (around 30) and its piping network.
- c) Accommodation camps and storage areas.
- d) Victoria Nile River crossing (piping and ferry crossing)
- e) Water Abstraction Area and pipeline (from Lake Albert to CPF)
- f) Associated supporting infrastructures (roads, airstrip, helipads)

The Enabling Infrastructure Packages 2 to 5, for which EPC services and works are to be provided, is summarized as follows:

- a) CFT Package (2) : Access Roads (gravel and asphalt).
 - Lot 1: New Access Roads in Buliisa South Nile (overall length 5 Km); CFT reference No: 10005210
 - Lot 2: Upgrade of roads (over-all length 45 Km) in Buliisa South Nile; CFT reference No: 10005211
 - Lot 3: New access roads in MFNP (over-all length 17 Km) North Nile; CFT Reference No: No: 10005212
- b) CFT Package (3) : Logistics Facilities
 - Lot 1: Bugungu Airstrip including mainly the upgrade of the existing runway, the construction of a terminal building, fencing, patrol road(overall area 40Ha, asphalted runway length 1,5km); CFT reference No: 10005213
 - Lot 2: Construction of a Traffic transit Check Point (overall area 20Ha, 100 truck parking lots + support facilities such as office,

- infirmary, canteen, accommodation, water and sewage treatment facilities) CFT reference No: 10005214
- c) CFT Package (4) : Well pads civil works, including site preparation (local access road, earthworks, drainage, fencing) and construction of the drilling pad (concrete works such as rig foundation slab, underground cellar pits, installation of conductor pipes).
 - Lot 1: Well pads South Nile Rig 1 (10 units); CFT reference No: 10005215
 - Lot 2: Well pads South Nile Rig 2 (10 units); CFT reference No: 10005216
 - Lot 3: Well pads North Nile Rig 3 (10 units); CFT reference No: 10005217
- d) CFT Package (5) : Site preparation for the water abstraction station near Lake Albert (1Ha) CFT reference No: 10005218

The Services will include, but not be limited to, for each of the above sub-packages:

- a) Detail and/or construction engineering (construction specifications/procedures, execution drawings, material datasheets etc.)
- b) Procurement (material, equipment etc.)
- c) Construction works

Minimum Requirements:

- a) The participant MUST provide proof of current registration to; or application to be registered to; the National Supplier Database for the year 2018.
- b) Experience of QHSE policy, procedure and process in compliance with IFC Performance Standards and international industry standards
- c) At least 10 years similar EPC experience in Earth & Civil Works for oil & gas and/or industrial facilities in Africa or worldwide
- d) Fully certified and experienced personnel, and their availability
- e) Equipment required for the works and services compliant to the industry standards
- f) Financial capability to deliver the works and services
- g) Commitments to National Content requirements of the Government of Uganda

Interested companies shall express their interest by specifying the CFT package of interest together with the Lot of interest for each CFT package. EOI Submissions shall be labeled with the respective CFT/Lot reference title and number. Participation to the Pre-Qualification process shall be through forwarding an Expression Of Interest (EOI) supported by a Company profile demonstrating participant's related experience, capabilities and capacity to meet the above minimum requirements; to the following e-mail address: EP.TILENGA-EI-CFT-EPC-UGEP@total.com by **Thursday 19th July 2018 at 17:00 Hours** - Ugandan local time (closing date). Participants shall present the subject caption in their submission email as follows: "Prequalification for CFT Package No <.....> for <title>> Lot No <.....> <title>>".

Note: Only prequalified bidders will receive invitations to submit bids in furtherance of the Call for Tender process.
